Encompass Academy Newsletter

At Encompass Academy, our mission is "guiding students to bright futures." We are dedicated to supporting each student's growth and success through a well-rounded education and strong community collaboration. This newsletter will keep you updated on key events and opportunities as we work together to help our students thrive.

The Encompass FIRE

Encompass Scholars show the following qualities:

Fearlessness

Integrity

Resourcefulness

Endurance

The First Month

We want to express our gratitude to all of our families for the ongoing support during the start of the school year. After nearly a month of school, we are excited by how well our new students are settling in. Our returning students have done an amazing job welcoming them into the Encompass Academy culture with kindness and enthusiasm. Your support helps us create a positive learning environment, and we appreciate everything you do for your students.

Classroom Spotlight

In Ms. McEvoy's Environmental Science class, students are creating their own Bottle Biospheres—mini ecosystems that can support life. Each group designs a self-sustaining habitat using plants and/or animals, making sure it has everything needed to thrive. They will track how their biospheres change over time by taking weekly pictures and notes. This hands-on project helps students understand how ecosystems work and teaches important lessons about sustainability and caring for the environment.

Upcoming events

- 9/12/24 - Coffee with the Counselors at 7:30 am
- 10/7/24-10/11/24 - Fall Break

Project 150

Project 150 Reno, located next door behind the Bridge Church, provides essential support to high school students, including food, clothing, and school supplies. They have been a great help to our students, ensuring they have what they need to succeed. If your student could benefit from their services, please sign up for an appointment using the QR code.

College & Career Events

1

TMCC's Day on the Hill

TMCC welcomes you to visit their beautiful campus on the hill to learn about the educational opportunities we offer. Meet faculty, staff, and current TMCC students! Attendees will learn about academic programs, admissions requirements, financial aid and more. TMCC Day on the Hill will include a resource/college fair, campus tour, information sessions and lunch! RSVP with the QR code.

2

WCSD College Fair

There will be a College Fair at the Reno-Sparks Convention Center on October 20th from 11:00 am to 2:00 pm. This will be a great opportunity for you and your student to meet with colleges and learn about financial aid and scholarships available to them. Use the link on the flyer to RSVP.

Principal

Message from the Principal

As we embark on a new school year, I am thrilled to share that we are starting with a record number of students! It has been an exhilarating few weeks, filled with the energy and enthusiasm of our growing school community.

Our boys' soccer and girls' volleyball teams have already kicked off their seasons with remarkable spirit and determination. It's inspiring to see our students not only excelling on the field but also showing up each day with a positive attitude and dedication to their studies.

As we continue this exciting journey, I want to emphasize the importance of support and engagement at home. Please take time to talk with your children about their schoolwork, ensuring they are staying on track and feeling supported. Additionally, make sure they are getting a good night's sleep, arriving at school on time, and wearing their uniforms. These practices greatly contribute to their overall success and well-being.

Thank you for your continued support and partnership in making this school year the best one yet. Here's to a fantastic year ahead!
