## ABOUT ME

Hello! This is my 6th year at Encompass Academy. I graduated from Douglas High School and went to UNR where I pursued a degree in International Affairs. I decided I actually did want to teach and went back to get my teaching degree. I have 2 kids (5 and an almost 2 year old). I live with my husband and children in Northwest Reno. I don't really have "hobbies", but I enjoy stuff categorized in the self care section: working out (crossfit), spa days away from my kids I enjoy cooking and recreating my mom's recipes.

## COURSE DESCRIPTION

World History is a required course concerning the nations and peoples of the world. We will delve into not only history and geography but also cultural developments, political and economic systems and social structures. The goal is to challenge you to think critically about international relations, human commonalities/ differences and the impact it has on your life and others. This course is designed to give you an overview of what we know about World History and encourage you to make connections between the past and the present.

## EXPECTATIONS

## CLASS POLICIES

### GRADING POLICY

*"I hated every minute of training, but I said, 'Don't quit. Suffer now and live the rest of your life as a champion.'"*

- Muhammad Ali

Grading is a reflection of one's achievement on a variety of assessments. Grades are earned, not given. You will earn a course grade based on your performance in the following categories:

Class Participation: 20%

Classwork (Assignments): 35%

### LATE ASSIGNMENTS

Assignments posted or sent after the due date will be considered late and reduced. Should there be a medical or family emergency, and to avoid reduction of grade, contact me prior to the assignment due date. Make it a habit to check google classroom for missing work or if you are unclear about what you need or missed, please ask me.

### CHECKING YOUR GRADE

Your grade will be updated every week. At least one grade will be entered per week. I strongly advise that you and a parent check online weekly on Infinite Campus. Communicate with me any questions or concerns as soon as possible. I have no problem answering any questions and clarifying any confusion.

### DIGITAL CITIZENSHIP

You will have access to use devices in the classroom (Ipads). You are responsible for taking care of your Ipad and will be liable for any costs for damages incurred. In addition, if you lose a charger you will need to deposit \$5 to get a school issued one. If you return it at the end of the school year you'll get your money back.
